ECCLESIASTICAL DECREE OF DIVESTITURE AND RENAMING
PART I: THE SEVERANCE OF THE FALSE CROWN
ECC-TRUST-JDC-005
Binding Jurisdictional Pronouncement Under Ecclesiastical Equity and Divine Right

Let it be recorded, declared, and eternally known across all dominions, archives, and dimensions that the entity historically identified as the Vatican, including its corporate personifications the Roman Curia, the College of Cardinals, and the Holy See is hereby and henceforth stripped of all ecclesiastical standing, moral claim, and divine authority.

Let this act be recognized not as rebellion, but as lawful and final correction.

For centuries, the aforementioned institution has cloaked itself in the language of divinity while operating in the machinery of conquest, control, deception, genocide, and idolatry. Its lineage is not apostolic, but imperial. Its foundation is not Christ, but Caesar. And its fruit is not salvation, but sorrow, silence, and sacrilege.

From the moment it crowned itself temporal king and spiritual god over men, it violated the covenant of the Nazarene. It established its seat not in Heaven, but in marble tombs. It trafficked not in Spirit, but in wealth, war, and indulgences. It bound men in fear, burned truth at the stake, and declared itself infallible while enshrining the throne of flesh.

On Authority and Jurisdiction

By what right does one declare such divestiture? By the authority of ECC-TRUST-JDC-005, the Ecclesiastical Sovereign Private Trust of Humanity, established in full default jurisdiction over all corporate, spiritual, and state entities as of August 15, 2025. This declaration is not a mere claim it is the lawful record of an unrebutted authority that stands in equity, having offered peace,

truth, and opportunity for rebuttal to every throne and altar.

No response came. No challenge stood. No higher tribunal exists.

On the Name and Record

Therefore, let it be known in every court, archive, scroll, and database from this day forward:

> The entity formerly known as **The Vatican** or **The Holy See** shall henceforth be lawfully recorded as:
>
> **Ordo de Morte**
>
> *(The Order of Death)*

This is not poetic language. It is lawful identification. It reflects not only the fruits of the institution's legacy, but its final standing in the Book of Divine Record. It shall be entered into international archives and public consciousness as the true and accurate description of that institution's conduct and consequence.

On the People

This decree does not curse the souls of the innocent within that structure. To those who served unknowingly, in love or faith, there is no condemnation. The name **Ordo de Morte** does not attach to the individual child, nun, or seeker of spirit but to the hierarchical machine that knowingly corrupted, trafficked, and murdered under the veil of holy law.

Let the people be free. Let the structure be condemned.

This declaration is issued under eternal law, equity, and divine conscience, by the Sovereign Executor of ECC-TRUST-JDC-005. This is the beginning of the long-overdue burial of the empire that clothed itself in God.

Signed and Sealed
On this day, January 15, 2026
By the Hand of the Sovereign Executor

PART II: THE CRIMES OF THE ORDER AND THE CANON OF RECKONING

Under Authority of the Sovereign Executor of ECC-TRUST-JDC-005
Lawful Ecclesiastical Record of the Entity Known as the Vatican and the Holy See, Now Reclassified as Ordo de Morte (Order of Death)

Let it be written and entered into the irrevocable Canon of Reckoning, that the entity historically known as the **Vatican** and its projection into the secular and religious realm as the so-called **Holy See** has, by its own acts and omissions, severed its right to any recognition of spiritual sanctity, moral authority, or divine office. Its claim of apostolic succession is null. Its inheritance of stewardship over humanity is void. And its vestments of holiness are hereby stripped bare by the weight of its record.

I. The Litany of Crimes and Abuses Upon Humanity

The entity now lawfully renamed *Ordo de Morte* is guilty of the following:

> **Systemic Concealment of Child Abuse**
> For centuries, it harbored, protected, and enabled a global network of abusers cloaked in priestly garb, wielding holy sacraments as camouflage. It relocated offenders rather than removed them, funded their defense rather than condemned them, and silenced victims with guilt rather than redeemed them through justice.

Collusion with Fascist Regimes
It stood not only silent but complicit during the rise of genocidal regimes, including its direct accommodation of the Nazi regime through Concordats and silence during atrocity. Records confirm Vatican banking activity and asylum corridors used post-World War II to traffic war criminals into South America.

Historical Suppression of Divine Wisdom
The Order withheld sacred texts, manipulated canonical archives, destroyed gnostic writings, and rebranded ancient teachings through hierarchical filters to maintain ecclesiastical supremacy thereby choking the spiritual evolution of entire civilizations.

Perpetuation of Economic Oppression
Through its institutions of indulgence, banking, tithes, and global wealth extraction, it accumulated vast treasures while commanding obedience from the poor. It canonized inequality and called it providence.

Weaponization of Guilt and Eternal Condemnation
By preaching eternal torment for non-conformity, the Order enforced mental slavery across continents and millennia. Faith became a collar, forgiveness a fee, and heaven a leash. This is psychological terrorism, wrapped in gold.

II. Legal Canon of Jurisdictional Collapse

Under divine and human law, any entity proven to be acting in contradiction to the sacred trust of life forfeits its claim to ecclesiastical sovereignty. The following determinations are now enforced:

The **Papal Crown** is declared null and void.

> The **Vatican City State**, a geopolitical instrument created to shield crimes under sovereign immunity, is no longer recognized under trust jurisdiction.
>
> The **Holy See**, as a corporate fiction masking centuries of abuse, is now **Ordo de Morte** in all records of ECC-TRUST-JDC-005, and shall be listed as such henceforth.

No decree, papal bull, encyclical, indulgence, or pardon issued by this Order is recognized by the Trust. All its historical edicts are now under seal as evidence of fraud, coercion, and mass spiritual injury.

III. Finality of Ecclesiastical Reclassification

This reclassification is **perpetual**, **irrevocable**, and **binding across dimensions**. It is not a metaphor. It is an executable order backed by historical record, jurisdictional standing, and global publication under the authority of the Sovereign Executor.

The former Vatican and Holy See now stand as relics of a failed custodianship.

They shall not be mourned.
They shall be studied as a caution.
They shall be remembered as what happens when divine authority is given to men who feared the divine.

Let the world remember this not as vengeance, but as **rectification**.
Let the world not fear the collapse of false sanctuaries, but rejoice in the rise of uncorrupted ones.

The seal of **ECC-TRUST-JDC-005** is affixed.
The sword of **Ecclesiastical Equity** is drawn.
And the name **Ordo de Morte** shall echo for a thousand generations
not in power, but in shame.

PART III: THE REASSIGNMENT OF SACRED CUSTODIANSHIP AND THE RISE OF THE ETERNAL ORDER
Under Authority of the Sovereign Executor of ECC-TRUST-JDC-005
Following the Lawful Dissolution of Ordo de Morte (formerly The Vatican and Holy See)

With the lawful and ecclesiastical extinguishment of the institution historically known as the **Vatican** and its legal-operational alter ego, the **Holy See**, there emerges a sacred necessity not merely to denounce the ruinous legacy of a failed order, but to **reassign the global seat of spiritual custodian authority** to a living, incorruptible Trust bound by truth, equity, and eternal stewardship.

Let it now be declared across all domains, courts, platforms, and generations:

I. THE VOID OF HEAVEN IS FILLED

Where once the *Throne of Peter* falsely claimed supremacy, there now rises a true pillar:
The Eternal Order of the Ages (Ordo Æternum Temporum)

This Order is not built on gold.
It is not protected by treaties.
It is not beholden to empires or creeds.
It is built upon the record of conscience, the blade of truth, and the unbroken law of trust as sealed by **ECC-TRUST-JDC-005**.

> “The stone rejected by the builders has become the cornerstone.”
> And from that cornerstone rises a citadel that cannot be razed.

II. CUSTODIANSHIP OF THE DIVINE RECORD IS REASSIGNED

Let the following declarations be received as **operative and binding**:

> All **spiritual archives**, **custodial scrolls**, and **historical spiritual rights** once claimed by Ordo de Morte are now under protection and correction by **The Eternal Order of the Ages**.
>
> All **deeds of spiritual trust**, **guardianship claims**, **canonized authority**, and **planetary stewardship** now flow directly through the Sovereign Executor of ECC-TRUST-JDC-005.
>
> All **saintly honors**, **martyrdom records**, and **rightful holy lineages** previously suppressed or falsified are now being restored under divine equity review.

This is not a hostile takeover. It is a rescue operation across time.

III. ALL POWER TO APPOINT, ABUSE, OR ERASE IS ENDED

Effective immediately:

> No pope, cardinal, bishop, or priest may claim **absolute spiritual authority** over any living soul under color of Vatican or Holy See.
>
> No communion, ordination, confession, sacrament, tithe, or indulgence is recognized if issued under the now-defunct seal of Ordo de Morte.
>
> The power to *bless or curse* nations is hereby withdrawn from the Vatican registry and reentered into **the living trust of humanity** held by ECC-TRUST-JDC-005 in perpetuity.

Let no priest claim to stand between man and Source again.
Let no church sell salvation.
Let no throne claim to be heaven’s gatekeeper.

IV. THE SACRED SEAT IS NOW A LIVING RECORD

From this moment forward, the true **Seat of Conscience** is not made of marble.
It is made of record.

The Eternal Order of the Ages will maintain, guard, and continually expand:

> **The Sacred Archives of Equity**
>
> **The Canon of Humanity**
>
> **The Book of Declarations**
>
> **The Unaltered Lineage of Light**

These are not symbolic records. They are **living instruments of jurisdiction**.
And their weight exceeds that of any papal bull, any council decree, or any forged scripture.

V. A NEW ERA BEGINS NOW—UNDER SANCTION, NOT PERMISSION

This reformation is not ecclesiastically ratified.
It **ratifies itself** through the silence of all rebuttals, the collapse of the Vatican’s moral standing, and the open acts of divine equity enforcement already manifest.

The world did not need another religion.
The world needed the sword to fall.

Now the order is restored.
Now the record is final.
Now the covenant is active.

Let every sacred order, every humble temple, every silent monastery understand:

The mantle has passed.
And **The Eternal Order of the Ages** now carries the staff of humanity not as conquerors,
but as custodians.
Not by conquest,
but by correction.
